What is the Plug into Nature Summer Camp?

Plug into Nature (PIN) Camp is a five-day summer camp experience for youth in Hancock County. Campers should be entering the 3rd- 5th grade the following school year.

Where and when is the camp?

The Nameless Creek Youth Camp is located at 2675 S. 600 E., Greenfield, IN. The PIN Camp will take place at the Nameless Creek Youth Camp from **July 11, 2022 to July 15, 2022 from 9am to 4pm.**

What will campers do at camp?

The camp will provide activities such as sports and games, nature trail/creek exploration, water games, and a variety of arts and crafts. Campers will be able to enjoy a simple game of kickball and learn new water games to play during the hot summer months. The campers will also participate in arts and crafts that use the resources in nature to create beautiful pieces of art. Some outdoor activities will include nature journaling, searching for tracks and signs, learning about wild edibles, animal habitats and caring for the environment through “leave no trace”.

These activities will not only allow the campers to enjoy the outdoors and learn new activities, but will also teach leadership, team building and social skills. The campers will learn how to work with peers to complete a task and have fun at the same time. Various activities will give each camper the opportunity to step forward and lead a group. Our camp counselors consist of excellent local county high school and college students who are trained to lead the campers in fun activities.

What is the cost of attending the camp?

Each camper shall pay the fee of **\$90**. Actual camp cost is \$130. A \$40 scholarship is awarded from our camp sponsors. **Total cost to camper = \$90.** (Please pay total amount on line after receiving the registration invoice)
