

Greetings from the Board and Volunteers at Nameless Creek Youth Camp!

We are happy and proud to report that the improvements at NCYC are finished with all camp facilities now updated and maintained. We are a fully functional year-round venue for the enjoyment of the outdoors and indoor events of all kinds! The generous donations and volunteerism of the citizens of our beautiful Hancock County have made everything possible.

Camp and Lodge use is growing rapidly. Plans are progressing for additional youth programming, and we are booking events for next spring, summer and fall.

We need your help this year and each year to balance our anticipated revenue. We still have at least \$1000.00 of expenses per month to keep the camp sustainable. We will be relying on our Patron membership program and our Fall That Jazz Fundraiser to keep us financially healthy.

With our Patrons' help, we will be prepared to continue our programs and to offer our facilities to our community as we return to normal social interaction. Advantages of Patron membership are:

- The donations are tax deductible.
- *Patron Members* will receive the camp news through social media
- Recognition on our website
- Annual distinction posted in the Lodge
- Special event invitations

Please consider a patron membership to Nameless Creek Youth Camp for 2020. Your support of our mission will ensure our sustained success.

----- ✂
Patron Membership: Yes! Count me in to provide a tax-deductible patron membership for the sustainability of Nameless Creek Youth Camp during this pandemic year of uncertainty.
